

# 48 LED FLEXIBLE AQUA LIGHT

48 LED waterproof flexible work light with 115 VAC and 12 V DC chargers

- Flexible light wand can be inserted into confined spaces to illuminate work areas that would obstruct light from traditional work lights
- 48 LED bulbs with single warm white LED intensity up to 12000mcd (millicandela) and 6500K color temperature (compares to the brightness outside, 12pm on a clear day)
- Waterproof grade IP66 (Ingress Protection: Dust tight/protected against heavy seas); 100% waterproof in depths down to 39 feet; and can be washed with water over and over again
- 3-4 hours continuous use on a single charge
- The gradual lighting startup design protects the user's eyes from sudden high bright beam
- Continuous lighting can be achieved while charging with adapters
- Super long service life of built-in 2600mAH LiFePO4 battery, charge and discharge cycles exceeds 2000 times
- UL approved charger

## 48 LED FLEXIBLE AQUA LIGHT

Product# DY80000110

**Battery run time indicator light on the handle glows and indicates the battery life remaining:**

**Green Light:** full capacity – up to 4 hours

**Yellow Light:** half capacity – 60 to 90 minutes

**Red Light:** low capacity – 30 to 60 minutes

**Red Strobe:** little capacity - < 30 minutes life

Built in wand clips hold the light wand as a lighting loop and also aid for easier storage

LEDs are positioned on both sides of the light wand, providing 360° illumination

**SSP INDUSTRIAL**
