

# Saber Tooth Multipurpose Hand Saw

**Part #  
DY89320030**

- Razor sharp industrial dual tooth blades are twice as thick as competitive blades and cut in both the forward and reverse stroke.
- Rips through plywood, 2 x 4's, hardwood, drywall, plastics and much more.
- Pointed blade tip provides for precise and immediate cuts in drywall.
- Comfort grip curved Ergonomic handle provides greater control and leverage while reducing arm and hand fatigue.
- Great for general purpose and demolition work.

**Razor sharp diamond shaped  
dual blade**

**Tears through lumber in a snap**
