

VISION PRO LED FLASHLIGHT

4-Function Super Bright Handheld Flashlight

- Shockproof and weatherproof (dust and water resistant)
- LED bulb lifespan of 50,000 hours
- IPx4 moisture resistance rated (Ingress protection against water sprayed from all directions - limited ingress permitted)
- Brightness of up 180 lumens, lighting distance of up to 217 yards
- Wrist lanyard and a custom 3-function pouch included:
 - Typical belt loop for permanent attachment
 - Tear away belt loop for rapid removal
 - Loop attachment for attaching clips, carabineers, s-hooks, tool pouches, backpacks, etc.
- Green LED works well at night and won't spook wildlife

Serrated lens cap allows user to visually see that the flashlight is left on or off when placed down on the lens cap

Green LED feature allows for night crews to work outside and does not attract flying insects or spook wildlife
