**ALOHA BREEZE & BRAZILIAN BREEZE**  
**CLEANER, DEODORIZER, MALODOR COUNTERACTANT**  
*ALOHA & BRAZILIAN BREEZE* are a breakthrough in the latest technology of cleaning & deodorizing at the same time. *ALOHA & BRAZILIAN BREEZE*'s unique formula is made to cut surface tension that removes all grease & grime from any surface, leaving a long lasting, pleasant fragrance.

*ALOHA & BRAZILIAN BREEZE* is a super concentrated deodorant cleaner, odor controller, and air freshener all in one! *ALOHA & BRAZILIAN BREEZE* contains 100% perfume oils that leave a refreshing fragrance behind. Even after you use it! Safe and easy to use, biodegradable, non toxic, and non-staining.

**DIRECTIONS FOR USE:**

As an all-purpose cleaner and to control organic odors, or to use as a light-medium duty deodorant cleaner for floors and hard surfaces: add 3 to 8 oz. of *BREEZE* per gallon of water and apply directly and thoroughly to the odor source or area to be cleaned. For truly offensive odors, use up to full strength.

**As an additive to mopping solution** or rug and upholstery shampoos: Add 2 to 8 oz. of *BREEZE* per gallon of mixed solution. Product will not diminish cleaning ability of shampoos, soaps, or detergents.

**As a space spray air freshener and deodorizer for rooms, cars, etc.:** Using a trigger sprayer, spray *ALOHA or BRAZILIAN BREEZE* as a fine mist toward center of room or directly on the areas or surfaces needing deodorizing.

**Additional Information**

*ALOHA & BRAZILIAN BREEZE* Super Concentrated Cleaner & Deodorizer is perhaps the most effective and versatile cleaning product on the market today. This product is not only powerful but it is specifically formulated to clean and deodorize at the same time. *ALOHA & BRAZILIAN BREEZE* cleans stubborn soils and the delightful fragrance lasts for several days after cleaning. *ALOHA & BRAZILIAN BREEZE*'s unique ability to provide a pleasant fragrance for an extended period of time makes it ideal for the areas with the worst odors. With conventional cleaning products these areas would need to be cleaned daily in order to maintain a pleasant atmosphere. With *ALOHA & BRAZILIAN BREEZE* regular cleaning eliminates the need to spray an additional deodorizer product to win the battle against foul smells in troublesome areas such as restrooms, locker rooms, sump rooms, elevator pits, storage rooms, etc. Why waste the labor costs involved with using an inferior product more often just to maintain the area? *ALOHA & BRAZILIAN BREEZE* can be added to mop water, carpet extractor solution and other water-based cleaning solutions to add a long-lasting pleasant fragrance and eliminate odors at the source. *ALOHA & BRAZILIAN BREEZE* is the most powerful, most effective cleaner & deodorizer available.
