ACTIVATOR
100% ORGANIC CITRUS DECLOGGER & DEGREASER

- Contains **NO** Chlorinated Solvents,
- Contains **NO** Petroleum Distillates
- **Biodegradable**
- **Non-caustic, Non-acid, Non-corrosive**
- **No Harmful Vapors, Fresh Citrus Scent**

ACTIVATOR is a natural citrus base drain declogger with a high pressure spray that provides quick penetration to blockage source and starts dissolving immediately. Effectively restores free flowing drains by breaking down grease, fat, body oils, soap, etc.

DIRECTIONS FOR USE:

1. Attach tubing to spout.
2. Direct tube into drain as close to blockage as possible.
3. Spray liberal amount through tube.
4. Allow time for product to penetrate and break down blockage. (For best results, allow to set overnight).
5. Flush drain.
6. After blockage is removed, spray again into drain and let set. To maintain a free flowing, periodically spray product into drain and let set for as long as possible.

FOR HEAVY DUTY CLEANING:
Apply product, wait 2 minutes, rinse with water.

CARBON DIOXIDE PROPELLANT	124-38-9

Additional Information

ACTIVATOR is a powerful citrus solvent foam in a high pressure aerosol can that combines the grease dissolving ability of d-Limonene with a high pressure container. This unique product out performs caustic drain openers without the toxic side effects associated with caustic or acidic drain openers. **ACTIVATOR's** high pressure canister gets the product to the source of the blockage through a long tube and helps blast away grease, fat, body oils, soap and other buildups that solidify and cause drain clogs. **ACTIVATOR** is safe on all types of plumbing and has a fresh citrus scent both of which make it an ideal preventive maintenance product for garbage disposals, restaurants, air conditioning condensate pans, ice machine drains, soda fountain drains, drinking fountains, nursing stations, etc. **ACTIVATOR** is an excellent product for preventive maintenance because it can be sprayed and let set for an indefinite period of time, no need to wait and flush the drain. Use **ACTIVATOR** where other products have proved to be too hazardous or offensive. Contact your local **SUPERCO** representative for more information and a demonstration of this amazing product.
