DOOM is an EPA Registered solvent base weed killer. **DOOM** is a combination of 2,4-D and Bromacil. This combination insures rapid top kill of all weeds and will also prevent future growth up to one year. **DOOM** is an excellent product for use on johnson grass, crabgrass, foxtail, barnyard grass, dandelions, weeds, lambs quarter and broomsage. Excellent for spot weed control.

USE FOR:

- Golf Courses • Playgrounds
- Driveways • Walkways
- Anywhere spot weed control is needed

DIRECTIONS FOR USE

Remove protective cap. Invert can and point opening in spray tip towards weeds to be sprayed. Depress the tab on the side of tip and spray weeds thoroughly. Be sure to completely wet weeds. Use in late spring when most weeds have appeared. The amount needed will depend on the area to be covered. Reapply as necessary. Frequency of application will depend on soil type, rainfall and other conditions

INGREDIENTS

Aromatic Petroleum Hydrocarbons
Propane/n-Butane
2,4-Dichlorophenoxyacetic Acid, DMA Salt
