Product: # 3008

FOR PROFESSIONAL USE ONLY
CONSULT LABEL AND MSDS BEFORE USING.

DRAIN DRAGON
THICKENED BACTERIA/ENZYME
DRAIN CLEANER

DRAIN DRAGON is a special blend of enzymes, detergents and deodorizers containing aerobic and anaerobic bacteria. *DRAIN DRAGON*'s thickened formula clings to the side of pipes and lines increasing effectiveness. *DRAIN DRAGON* eliminates odors at the source and through a digestive process, liquefies organic waste such as fat, grease, protein and carbohydrates.

DIRECTIONS:

GENERAL ODOR CONTROL: To eliminate odors caused by vomit, urine, spoiled food, animal waste in places such as garbage cans, locker rooms, carpets, etc., apply directly on malodor. This will let the bacteria ingest the materials while the pleasant fragrance immediately neutralizes the odor. **DRAIN LINES, DOWN PIPES:** Use product 2 to 4 times weekly. Add product according to chart below. Start on the lowest floor and work one floor every day. Do not treat same floor twice. Once top floor is reached, continue treating only the top floor.

Pipe size	Dosage	Frequency
2"	4 oz	twice weekly
4"	8 oz	twice weekly
6"	12 oz	twice weekly
8"	16 oz.	twice weekly
