DUMPSTER DOCTOR

DUMPSTER DOCTOR is a natural granular that controls odors and insects around trash pick-up areas. **DUMPSTER DOCTOR** is biodegradable, safe to use, and non-polluting to the environment. **DUMPSTER DOCTOR** contains Citronella, an effective all natural deterrent to flying insects, bees, gnats, ants and maggots found around waste dumpsters, trash compactors, garbage collection trucks and trash collection areas. **DUMPSTER DOCTOR** can be used around trash dumpsters, trash receptacles, trash shoots or any area that may require insect and odor control.

DIRECTION FOR USE:

CONTAINER ODOR MAINTENANCE: The day the trash is emptied, apply Superco Products CONTROL(Liquid Alive Bacteria) to the complete surface of the container. Apply one pound of **DUMPSTER DOCTOR** to 5 square feet of floor space of the container. DAY TWO - Apply 8 ounces per 5 square feet of container. DAY THREE - Apply 8 ounces of product to contents of the container.

DUMPSTER DOCTOR

Additional Information

Dumpsters can be a smelly bug-infested nightmare. Superco's **DUMPSTER DOCTOR** is the answer to this problem. **DUMPSTER DOCTOR** is a safe to use, biodegradable natural granular that controls both odors and insects and is safe for the environment. **DUMPSTER DOCTOR** contains Citronella which is an all natural deterrent to flying insects.
