USE AT:
 THEATERS • LOBBIES
 SCHOOLS • AUDITORIUMS
 CHURCHES • RESTAURANTS

Product # 1033

FOR PROFESSIONAL USE ONLY
 CONSULT LABEL AND MSDS BEFORE USING.

GUM OFF
 ENVIRONMENTALLY SAFE PROPELLANT
 WILL NOT EFFECT THE OZONE

- Removes gum quickly from concrete, around school yards, driveways, sidewalks, etc.
- Insert extension tube into spray tip on can for pinpoint application.
- Widely used in theaters, lobbies, schools, auditoriums, churches, etc.

DIRECTIONS FOR USE:

First remove all material possible with a scraper or dull knife. Then hold snorkel tube about 2 inches from substance and spray with a 5 to 10 second blast. While material is hard and brittle, scrape rapidly with a dull knife or scraper, repeat as necessary.

Additional Information

GUM OFF Chewing Gum & Candle Wax Remover can be a real time saver. Anyone who has ever tried to get gum or candle wax out of carpet or upholstery knows that it is a difficult and time consuming task. Down on hands and knees, a maintenance person must pick and scrape small bits and pieces of the wax and gum. Often times, one will have to cut out the last of the stuff leaving the carpet permanently damaged. **GUM OFF** quickly and easily removes candle wax and gum from carpets and fabrics. This special formula instantly freezes the gum or wax breaking to bond between it and the fibers making the sticky mess easy to remove. This handy product saves valuable labor time and eliminates the need to cut or replace carpets and upholstery. **GUM OFF** can be equally effective for removing gum from under seats and counter tops, concrete, floor tile and walkways or removing candle wax often found on the floors of church candle rooms, on tablecloths in dining rooms and at tallow companies. **GUM OFF** contains no CFC's and will not harm the ozone layer like many other products made for this purpose. SUPERCO is committed to providing environmentally safe products that meet the high performance standards our customers need and expect. Contact your local **SUPERCO SPECIALTY PRODUCTS** representative for a demonstration of **GUM OFF**.
