HUDINI

Stain and Odor Remover

HUDINI is a triple blend of Enzymes, Liquid Alive Bacteria, and Bio-Degradable cleaning surfactants that breakdown any and all organic and inorganic soils to remove all stains from all surfaces. **HUDINI** controls odors caused by urine, vomit, blood, decomposition, etc.

HUDINI removes stains including grease, oil, dirt, ink, mud, urine, coffee, liquor, wine, soft drinks, and blood.

Directions For Use:
CARPET, FABRIC, ODOR
AND STAIN REMOVAL

1. **HUDINI** is effective on pet soiled areas, milk, vomit, urine, feces, blood, coffee, wine, soda, etc.
2. Remove as much solid waste as possible.
3. Use **HUDINI** undiluted.
4. BEFORE USING, TEST A SMALL AREA FOR COLOR STABILITY.
5. Saturate the soiled area with the undiluted solution.
6. FOR BEST RESULTS:
FABRICS: Moisten a clean, soft cloth with **HUDINI**. With the moistened cloth work the soiled area in a gentle circular motion.
CARPETS: Agitate with brush or cloth. Wipe of excess foam, if any. Spray the area with undiluted **HUDINI** while surface is still wet. WAIT allow 30 minutes.

7. Rinse with water, blot, or pick up with wet vac.
8. Repeat as necessary. For extremely difficult organic stains, cover area with towel and allow it to remain damp overnight. This allows the bacteria time to breakup and digest the organic stain.
