INSECT REPELLANT TOWELS

INSECT REPELLANT TOWELS are now available from Superco Specialty Products. These new insect repellent towels are unlike any aerosol spray repellent. They are pre-moistened towels that allow the user to apply repellent exactly where it is needed most without getting it in their eyes or mouth. **INSECT REPELLANT TOWELS** feature a water-based non-VOC formula to repel biting insects for up to 4 hours. Repels bloodsucking insect pests such as mosquitoes, black flies, fleas, ticks, chiggers, and sand flies. Convenient, easy-to-use pop-up wipes allow quick and thorough application to skin, hair, and clothing for maximum protection. Contains DEET, the most effective biting-pest repellent on the market.

INSECT REPELLANT TOWELS are made with a stain-free formula that will not harm clothing. **INSECT REPELLANT TOWELS** come packaged in a convenient 40 count portable canister that goes anywhere.

ACTIVE INGREDIENTS

DEET	25.00%
OTHER INGREDIENTS	75.00%
TOTAL	100.00%

DIRECTIONS FOR USE:

This product provides up to 4 hours of protection from Mosquitoes, Black Flies, Sand Flies, Gnats, Chiggers, Fleas, and Ticks. Convenient, easy to use towelette allows quick and thorough application to skin, hair, and clothing for maximum protection. Read and follow all directions and precautions on this product label.

Wipe and spread evenly to moisten all exposed skin. Use just enough repellent to cover exposed skin and/or clothing. Avoid over-application of this product. Frequent reapplication and saturation of clothing are unnecessary for effectiveness. When using on face, apply sparingly, avoiding eyes and mouth. Apply sparingly around ears. Do not apply to eyes and mouth. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Do not apply over cuts, wounds, or irritated skin. Also apply to clothing such as shirt, pants, hat, and socks. Do not use under clothing. For Chiggers and Ticks, apply to shirt and pant cuffs and socks. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this repellent product with you.

NOTE: Will not damage cotton, wool, or nylon. Do not apply on or near acetate rayon, Spandex or synthetics other than nylon, furniture, plastics, watch crystals, leather and painted or varnished surfaces (including automobiles).

DIRECTIONS FOR DISPENSING:

Remove lid. Pull towel from center of the roll and thread through underside of lid. Do not push finger through lid opening. Pull towel at 90° angle. Snap hinged cap back into place so towels stay moist.

Additional Information

Mosquito control **INSECT REPELLANT TOWELS** are a neater and safer alternative to Insect Repellent sprays and still keep the bugs off! These convenient, portable towels are packaged in a 40 count canister. Each canister has a re-closable plastic flip-top cover that prevents **INSECT REPELLANT TOWELS** from drying out. Each towel contains the ingredient aloe to avoid chapping and keeps skin smooth and soft. When finished, the towel can be easily thrown away. Compared to sprays repellents, there's less mess, waste and danger when using **INSECT REPELLANT TOWELS**. Contact your local Superco Specialty Products representative for more information on **INSECT REPELLANT TOWELS**.
