LEMON SHINE

Concentrated Furniture Polish

LEMON SHINE Furniture Polish, when sprayed, wipes immediately to a clean, bright shine. **LEMON SHINE** produces a hard, dust-free protective finish on wood, metal, plastic and vinyl furniture. This versatile product also protects ceramics, enameled and porcelain surfaces. Finger marks, smudges, grease marks and stains are quickly removed.

DIRECTIONS FOR USE:
Shake well before use. Holding can 4 to 6 inches from surface to be cleaned and polished, spray **LEMON SHINE** sparingly. Do not over spray. Wipe surface with a clean, soft cloth before spray dries. Spray directly on cloth to polish chair legs, table legs, etc.

Additional Information

LEMON SHINE Concentrated Furniture Polish is one product that is truly a pleasure to use. Some may say that all furniture polishes are the same but **LEMON SHINE** is definitely the exception. This concentrated formula has a creamy texture that adds lustre and life to dried out and parched wood furniture making it clean and shiny in one easy step. **LEMON SHINE** uses Carnuba Wax to achieve a beautiful shine while at the same time providing excellent protection against dust, smudges and fingerprints. **LEMON SHINE** leaves no greasy or oily residue and works just as well on metal, plastic, Formica, laminated, vinyl and painted furniture. No need to have one product for wood and another for everything else because **LEMON SHINE** out performs wood oils, wood soaps and other extracts. **LEMON SHINE** is packaged in a 20 oz. sized aerosol can contains as much as 3 times more net product than conventional furniture products which means less wasteful packaging. **LEMON SHINE** is so fast and easy that you will cut the time spent on polishing furniture in half and this terrific product also leaves a pleasant lemon scent. Ask your **Superco Specialty Products** representative for a demonstration of **LEMON SHINE** and do a side-by-side product comparison to see for yourself.
