MARBLE & GRANITE

Stone & Hard Surface Cleaner & Polish

MARBLE & GRANITE Stone & Hard Surface Cleaner & Polish is formulated for use on polished and sealed granite, marble, limestone and travertine. Great for daily use on tables, counter-tops, reception desks, restroom sinks, buffet stations, sinks, fireplace mantles and more. This biodegradable, easy to use spray polish cleans and conditions all fine hard surfaces. **MARBLE & GRANITE** restores brilliance to most polished surfaces. This remarkable product leaves a clean, fresh fragrance and is streak free.

DIRECTIONS FOR USE:

Spray a light mist over area to be polished. Allow to sit for 15-30 seconds. Wipe area until dry. Polish with a dry cloth for maximum brilliance. Repeat as needed to maintain a brilliant shine.

Additional Information

Marble and Granite are two of the most beautiful natural stone surfaces used for food service today and two that are notoriously hard to keep clean and “like new”. When these fine stone materials are used for counter-tops and food serving surfaces they quickly become dull and dirty from being wiped down daily with a damp cloth. **SUPERCO’s** new remarkable **MARBLE & GRANITE CLEANER AND POLISH** cleans and restores all fine stone surfaces to their original beauty in one easy step. This product is a convenient aerosol foam that cleans deeply and restores the original brilliant shine to Marble, Granite, Porcelain, Limestone, Travertine, ceramic tile, Corian, Formica, Stainless Steel and many more hard surfaces. This product is ideal for daily use at hotels, country clubs, restaurants, senior centers, museums, retail boutiques, anywhere that has beautiful counters, buffets and other stone surfaces that need to be maintained to keep their up their original beauty.
