Contact your local **SUPERCO** sales representative for more information about **ORGANI-CIDE**.

**ORGANI-CIDE** uses plants' own natural defenses to kill bugs- and keep them away. Made from a unique combination of specially formulated plant oils, it's safe to use around children and pets. Plus there is no pesticide residue. It's safe, effective, and natural.

**KILLS/REPELS:** Ants, bedbugs, carpet beetles, carpenter, ants, centipedes, cockroaches, crickets, earwigs, fleas, flies, millipedes, mosquitoes, moths, pillbugs, scorpions, silverfish, spiders, termites and other crawling insect pests.

**GENERAL USE DIRECTIONS:** Do not dilute. This product is ready to use as delivered in this package. Apply with either a power operated or hand pressurized sprayer. Apply as a coarse spray to surfaces until wet, moving the spray stream rapidly enough to prevent excessive wetting of surfaces and waste of material. Test a small area of fabric and sensitive surfaces before complete application. When used indoors, wipe away excess to avoid slipping or staining.

**CRAWLING INSECT TREATMENT:** Spray insect hiding places such as cracks, crevices and void areas around baseboards, floorboards, cabinets, around drains and water pipes, around appliances and any other locations where insects may be hiding. Contact as many insects as possible. Repeat as necessary.

**SPIDER TREATMENT:** Spray webs and places where these spiders nest. Contact as many insects as possible. Repeat as necessary.

**ANT TREATMENT:** Spray trails, mounds/nests, cracks and crevices around windows, doors, sills and baseboards, openings around pipes and any other locations ants may be entering. Contact as many insects as possible. Repeat as necessary.

**CARPET BEETLE TREATMENT:** Spray these pests directly on floors, baseboards, shelves and carpets. Repeat spraying at frequent intervals.

**BEDBUG TREATMENT:** Spray cracks and crevices around baseboards, moldings and floorboards. Spray mattresses particularly around seams and tufts. Take bed apart and spray all joints. Repeat as needed

**FLEA TREATMENT:** Spray floors, floor coverings and sleeping quarters of pet. Repeat as needed.

**CRACK/CREVICE AREAS OF FOOD/FEED HANDLING ESTABLISHMENTS:** Restricted to crack/crevice treatment only. Foods should be removed or covered during treatment. Wash or wipe away excess product on exposed surfaces.
