Supercos ORGANIC GEL with Fragrance Beads Deodorizing System is the ideal solution to eliminating foul odors in restrooms, restaurants, office buildings, country clubs, weight rooms, anywhere bad odors exist. **ORGANIC GEL with Fragrance Beads** come in four terrific fragrances and fit into our wall mounted **FC Solid Dispenser** and are effective for up to 45 days. This automatic dispenser is triggered by room lights or sunlight and maximizes product life by only working when the room is lit or occupied.

DIRECTIONS FOR USE:

Mount the dispenser units on the wall using the provided two sided mounting strip. Be sure wall is clean and free of dust, dirt, grease and oil before mounting. If necessary, clean wall with all-purpose cleaner and allow to dry before mounting dispensers. After installing (2) D-size batteries, flip switch on the side of the unit to activate machine. Red light on machine will blink to show that the battery is OK. When light no longer blinks replace batteries. (One or two batteries will operate unit.)

Installing gel cup: Remove foil cover from gel and set on shelf inside dispenser and replace front of unit. Change gel cup every 4 to 6 weeks as necessary.

Even with an automatic dispenser someone has to go around and change the gel cups every couple of months. In many parts of the country, **SUPERCO** representatives offer a "Maintenance Free" deodorizing program that features free installation and free gel changing service. In addition to making your restrooms and offices smell nice, this program actually saves you the time and labor involved with refilling the units. Consult your local **SUPERCO** representative for details or call our office for an appointment.
