PAINTER'S CHOICE

Paint Removing Hand Soap

PAINTER'S CHOICE is a painter's best buddy using crushed walnut shells to remove difficult paint. **PAINTER'S CHOICE** removes urethanes, oil based paints, adhesives, ink, putty, resins and sealers. It contains a soothing formula that leaves hands feeling soft.

DIRECTIONS FOR USE:

Apply **PAINTER'S CHOICE** to dry hands, rub until paint starts to dissolve then add a small amount of water and continue to rub into hands. Rinse with water and dry clean hands.

Additional Information

PAINTER'S CHOICE quickly removes oil based paints, lacquers, and enamels. It melts adhesives, sealers, primers and resins from your skin. **PAINTER'S CHOICE** is exceptional at removing all marine bottom and topside paints, primers, and fairing compounds. It enables rapid removal of all repair and refinish materials from the skin without the use of skin damaging solvents. **PAINTER'S CHOICE** contains very fine walnut shell abrasives to gently deep clean hands. It is fortified with superior skin conditioners to help promote good hand health without drying the skin or leaving hands feeling greasy. **PAINTER'S CHOICE** is non-toxic and non-caustic, and contains natural soap and no synthetic nonylphenoethoxylate. It has superior performance without the use of skin damaging solvents. Contact your local **SUPERCO SPECIALTY PRODUCTS** sales representative for more information.
