CONSULT LABEL AND MSDS BEFORE USING.**

RUST-OUT
Rust Stain Remover

A revolutionary rust stain remover designed for use on cotton, linen, wool and silk. Also very effective on vinyl, asphalt, linoleum and concrete. No special tools required and no heating or waiting necessary.

*HARMLESS TO MOST FABRICS AND
COLORS WHEN USED AS DIRECTED.*

DIRECTIONS FOR USE:

Apply **RUST-OUT** to the rust spot directly from the container or with a cloth. Simply wash the rust away. On deeply set stains allow time for all rust to dissolve before rinsing with a wet cloth.

Always rinse well after the removal of a stain.

Additional Information

RUST-OUT is an impressive product that removes rust stains from a wide variety of fabrics and other surfaces. Rust stains on carpets left by furniture legs, potted plants, exposed nail heads, etc. can be impossible to remove and ultimately lead to carpet replacement. Other methods of repairing the carpet like heat transfer or re-dyeing can be time consuming, tedious and can send labor costs skyrocketing. **RUST-OUT** is so effective and fast that a common rust stain can be removed in seconds. A breakthrough in chemical technology giving results equal to hydrofluoric acid products yet **RUST-OUT** contains no acid. With this remarkable cleaner you simply wipe the stain away. **RUST-OUT** quickly removes rust stains on porcelain, linoleum, vinyl and concrete making this product a valuable tool for maintenance personnel at any type of business or facility. For a demonstration contact your local **SUPERCO** representative.
