=====

PRODUCT #7080

FOR PROFESSIONAL USE ONLY
CONSULT LABEL AND MSDS BEFORE USING.

STERI-GEL SKIN SANITIZER instantly sanitizes hands without water or towels. The special blend of emollients and ethyl alcohol leaves hand sanitized, smooth and conditioned without an antiseptic smell. **STERI-GEL** helps prevent bacterial transfer and reduces hospital acquired infections. Excellent for use by hospitals, dental personnel, child care services, nursing homes, veterinarians, labs, emergency response teams, police and fire personnel, correctional facilities, money handling, and food service workers.

STERI-GEL is not a substitute for washing hands from heavy soil. It is important to use regular hand hygiene methods.

DIRECTIONS FOR USE:

No water or towels required. Apply a small amount of **STERI-GEL** to clean, dry hands. Rub lightly until dry. Will air dry in 15 seconds leaving hands with a clean, fresh citrus fragrance.
