SUPER-SCRUB CITRUS WITH GRIT

**Heavy Duty Fragrance Free
Waterless Hand Cleaner**

SUPER-SCRUB is the finest hand cleaner available today. This remarkable formula contains powerful, yet surprisingly mild cleaning agents and solvents to give it unequaled performance. **SUPER-SCRUB** quickly and easily dissolves stubborn dirt, grease, grime, tar, adhesives, paints, inks, etc. **SUPER-SCRUB** works well with or without water and leaves hands clean and

free from any residue. **SUPER-SCRUB** is fortified with Lanolin and other special emollients designed to prevent chapping or dryness and to keep hands soft and comfortable. **SUPER-SCRUB** is powerful, economical and ideal for today's maintenance professional.

USED BY:

Mechanics, Painters, Machinists, Industrial Workers, Maintenance personnel, Printers, Municipal employers, Construction Workers, Assembly Line workers.

SUPER-SCRUB works quickly to remove heavy grease, dirt, ink, tar & asphalt, paint and any other stubborn soils.

DIRECTIONS:

Do not wet hands with water. Apply sufficient amount in palm of hand. Rub hand together until all soil is loosened. Work well into crevices and knuckles and fingernails. Wipe hands with a towel or rinse with water if desired. Repeat if necessary for extremely stubborn grease and soil.

CAUTION:

Contains petroleum distillates. Harmful if swallowed. For external use only. Avoid contact with eyes. If in eyes, flush with plenty of cool water for at least 15 minutes. If swallowed, DO NOT induce vomiting. Call a physician or poison control center immediately.
