Product # 1056 Aerosol

**FOR PROFESSIONAL USE ONLY
CONSULT LABEL AND MSDS BEFORE USING.**

SUPER SLIDE stops sticking of drawers, windows, doors, screens, zippers and locks. **SUPER SLIDE** eliminates annoying squeaks in hinges, latches, springs, etc. Stops car doors, locks and trunk mouldings from sticking. **SUPER SLIDE** retards corrosion, protects battery terminals, tools, guns, skates, aluminum windows and doors, etc. Waterproofs ignition systems and spark plugs. Prevents jamming and production slow down. Contains no animal or vegetable fats. Absolutely neutral. Will not turn rancid, contaminate or taint when in contact with food products. Meets FDA requirements.

DIRECTIONS FOR USE:

Thoroughly clean the surface to be sprayed. Spray a light film with a sweeping motion. When used on sticking surfaces, work object back and forth. Spray again if necessary.

Additional Information

SUPER SLIDE High Viscosity Silicone Spray is a product designed for many uses. **SUPER SLIDE** is a dry, invisible lubricant that also repels dust and moisture. This characteristic makes it ideal for both indoor and outdoor areas like: sliding glass doors, entry doors and locks, hinges on doors and shutters, trash can wheels and lids, trash chutes and doors, restroom stall doors, etc. Use **SUPER SLIDE** to properly and safely maintain escalator skirts and elevator door sensors. **SUPER SLIDE** dries clear and will not adversely affect wood or painted surfaces. Use **SUPER SLIDE** to quickly waterproof areas like ignition systems, battery terminals, tools, guns, spark plugs, signs, etc. This spray is an easy solution to squeaking drawers and cabinets and can also be used on weather stripping and window guides. **SUPER SLIDE's** unique dry formula is perfect for any area where a greasy or oily lubricant is unusable or undesirable. The list of uses for **SUPER SLIDE** is endless. Contact your local **Superco Specialty Products** representative for a demonstration of **SUPER SLIDE**.
