**Super-Fresh US100
Urinal Deodorant Screen**

Superco's new air freshener technology is like none other. When the **Super-Fresh US100** is made and the plastic is heated into a liquid, at that point the fragrance is added. The product then cools and the fragrance is impregnated into the screen. **Super-Fresh US100** are excellent for eliminating foul odors associated with urinals. **Super-Fresh US100** smell stronger with 10x more fragrance than traditional urinal screens. **Super-Fresh US100** help reduce cleaning time due to a hundreds of "mini peaks" that reduce splash back, they last over 30 days. **Super-Fresh US100** have a flexible design that allows the screen to mold to the shape of any urinal and have a pleasant eucalyptus fragrance.

DIRECTIONS FOR USE

Clean the fixture, then place the **Super-Fresh US100** in the fixture, Replace when the scent is depleted.

- Freshens the Urinal and the restroom for 30 days - contains more than twice the active ingredients as 'lookalike' screens.
- Unique hexagon post & lattice technology eliminates 99% of urine splash, saving custodial cleaning time and pant splatters.
- 2-Sided design ensures correct installation... every time!
- Reminds you when to change it - Simply pull off the date tabs to remind you when to change it.
- Saves money because it lasts longer - Twice as long as other brands.
- Eliminates odors - Releases billions of optimized bacteria that consume foul odors in the urinal.
- Complies with VOC requirements in all 50 states, North America and Europe. 100% recyclable.
- Save screens not being used - A screen saver bag is included with every box to keep them fresh while not in use.

NEW IMPROVED DESIGN!
