Foaming Cleaner

DISSOLVES:

- WAX • INKS
- OILS • DYES
- DIRT • GREASE
- CARBON

Product # 1092

FOR PROFESSIONAL USE ONLY
CONSULT LABEL AND MSDS BEFORE USING.

FORMULA 007 was designed especially for hard to remove grease and soil unaffected by other cleaners and its clinging foam permits long lasting contact with irregular, as well as plain surfaces to be cleaned. Its high pressure spray enables it to reach all hard to get to trouble spots. **FORMULA 007** Foaming Cleaner is authorized by USDA for use in federally inspected meat and poultry plants.

USES:

Air filters, airplanes, air conditioning ducts and grills, brick (fronts of boilers and fireplaces), bilge, concrete, conveyors, diesel power units, distilleries (removes whiskey stains from equipment), engines, exhaust stains, flues, kitchen areas, lavatory basins, lighting fixtures, machinery, motors (shell only), pipes, plastics, presses, refrigerators, rubber, rubber clothing, rubber rollers, shower rooms, steel files and lockers, ventilating hoods, walls and welding equipment.

USED IN:

Food processing, automotive, aviation, metal, packaging, printing, refrigeration, marine, chemical and plastic industries.

DIRECTIONS FOR USE:

Shake well. Remove cap. Spray evenly over surface. Wipe clean or spray with pressure hose. For heavily soiled surfaces, allow foam to remain for up to a minute before wiping or spraying with pressure hose.

Additional Information

FORMULA 007 Heavy Duty All Purpose Cleaner is the one cleaner which requires no special application technique for perfect results. Just spray on and wipe away dirt, grease, soot and dust without rubbing or rinsing, and without a telltale streak, smudge or blemish. Soiled walls, doors and other painted or enameled surfaces in kitchens, baths, living rooms, offices, shops, institutions, etc., disappear when this remarkable instant cleaner is used as suggested. Your cleaned paint or enamel looks like new, the life and the luster being unaffected by this new safety cleaner. **FORMULA 007** features a thick clinging foam that sticks to vertical surfaces for extra cleaning power that is not available with conventional cleaning products. **FORMULA 007** is versatile, use it to remove grease, soot, inks, wax, crayon, soap scum, oils, etc., from any washable surface. USDA authorized, **FORMULA 007** is ideal for cleaning tables, chairs, booths, counter tops, salad bars and buffets in restaurants and hotel kitchen areas. This unique formula cleans fast and is easy to use while leaving the surface streak free and with a fresh clean smell.
