HANDZ-ON
Orange Natural Citrus Limonene Hand Cleaner
CONTAINS NO PETROLEUM SOLVENTS
For The Hands That Need "An Extra Special Touch"

HANDZ-ON with dextro-limonene natural citrus extract solvent combined with gentle emollients and skin conditioners to prevent drying, chapping and cracking. Soil suspending agents and emulsifiers dissolve the toughest grease and grime.

Safely Removes: Grease, grime, carbon, asphalt, tar, paint, stains, moly, putty, mastic, adhesives, graphite, shellac, printer's ink and rubber cement.

PLUS other housekeeping, commercial and shop uses:

- Laundry pre-spotting
- Surface and stain cleaning
- Grease and oil removal
- Floor and wall tile cleaning
- And many more of your toughest cleaning jobs.

DIRECTIONS FOR USE:

Apply sufficient amount to the palm of the hand. Rub and work into hands until it liquefies and dislodges the soil. Wipe off with a clean cloth or paper towel or rinse off with water.

Additional Information

HANDZ-ON Natural Citrus Limonene Hand Cleaner is a unique formula that cleans and dissolves grease, tar, asphalt, adhesives, etc. as quickly as solvent based hand cleaners and yet contains no solvents or petroleum distillates. **HANDZ-ON's** natural formula will not dry or chap your hands, will not separate like many other products. Most commercial hand cleaners are of the "jelly" type or the "liquid sand" type. **HANDZ-ON** has a smooth consistency and a pleasant orange scent. **HANDZ-ON** conditions hands while removing even the most stubborn soils, heavy grease, tar, asphalt oil and latex paints. This remarkable product will not separate and is available with or without grit. Many soils and chemicals today are hard on the workers hands and with **HANDZ-ON** hands are left clean and conditioned not further damaged as with inferior hand cleaners. Show your workers that only the best hand cleaners will do and supply them with **HANDZ-ON-G** and **HANDZ-ON-NG**. Contact your local **SUPERCO** representative for a demonstration.
