Additional Information

Deodorizing powders for carpets are not all the same. Of course there are many different fragrances from many different manufacturers but just how well do they do the job of controlling foul odors. **RE-FRESH** Carpet Deodorizer is a product designed to out perform all other types and brands. This unique product will masque foul odors embedded into carpets indefinitely without any extra effort whatsoever. Simply sprinkle **RE-FRESH** over the carpet a few minutes prior to each vacuuming and never worry about foul smells emanating from your carpets. No method of odor control could be easier or faster than **RE-FRESH**. This product is the ideal choice for restaurants, convention centers, office buildings, apartment complexes, mortuaries, rest homes, department stores, car rental agencies, etc. For a demonstration of **RE-FRESH** contact your local **Superco Specialty Products** representative.
