NEW FRESH LEMON SCENT

RE-VIVE-A
Wood Cleaner & Preservative

USE AT HOTELS, RESORTS, SCHOOLS, ETC.
RE-VIVE-A REJUVENATES DRIED OUT WOOD, COVERS SCRATCHES, REPELS WATER STAINS. CONTAINS WOODS' ESSENTIAL OILS, NO SILICONE, NO BUILD UP, HAS A PLEASING FRESH LEMON FRAGRANCE.

Product: # 1105

FOR PROFESSIONAL USE ONLY
CONSULT LABEL AND MSDS BEFORE USING.

RE-VIVE-A Wood Cleaner & Preservative is specially formulated for cleaning, enhancement and repair of wood grain and many other decorative surfaces. Produces a wood penetrating spray to maintain woods' essential oils and create lustrous, shiny appearance by removing dust, smoke film, soot, dirt, oil, smudges, smears, wax buildup and other soils from a variety of treatable surfaces.

CLEANS, POLISHES, CONDITIONS & PROTECTS WOOD SURFACES.

DIRECTIONS FOR USE:

For best results, remove cap, hold can upright 10-12 inches from surface and spray lightly. With a clean, lint-free, soft, dry cloth, polish the entire surface in the direction of the wood grain. Wipe off excess.

Use on paneling, furniture, antiques, desks, displays, doors, walls, chrome, brass, metal, stainless steel, Formica and laminated surfaces.

NOTE: For old dried out or heavily soiled wood surfaces, a repeat application may be necessary for maximum beauty and protection of the wood.

Additional Information

Quality real-wood furniture, antique and neglected wood surfaces require more care and attention than a wax polish provides. In many cases wax type cleaners and polishes can do more damage than good leaving wood dried out or with heavy buildups of silicone and other waxes. Similarly, many oil products can be damaging to the wood surfaces they are intended to beautify. **RE-VIVE-A** contains woods' essential oils and protects and beautifies wood surfaces like no other product on the market today. Safe on all types of wood, **RE-VIVE-A** cleans polishes and protects wood surfaces in one easy step, no buffing or excess rubbing. This remarkable product contains no CFC's or ozone depleting chemicals and leaves behind a pleasant fresh lemon fragrance and is usable on many other surfaces like chrome, brass, stainless steel Formica and laminate. **RE-VIVE-A** protects wood against water stains and other contaminants, covers scratches and restores dried out surfaces. Use **RE-VIVE-A** where other products have failed or proved to be inadequate. Contact your local **Superco Specialty Products** representative for a demonstration of **RE-VIVE-A**.
