URINAL/COMMODE MATS Disposable Floor Mats

Superco's disposable urinal/commode floor mats will make restroom maintenance easier and faster. By placing them under urinals and toilets, unwanted splashes or drips are absorbed and the odors they cause are neutralized. They protect floor surfaces from stains, discoloration and damage caused by uric acid.

DIRECTIONS:
Simply place URINAL/COMMUNE mat under fixture. When saturated (over 25 ounces of liquid), simply throw away.

Additional Information

Restrooms have always been a difficult cleaning task. Superco's **URINAL / COMMUNE MATS** will simplify and speed up restroom maintenance. Splashes and drips are absorbed by **URINAL / COMMUNE MATS** and the odors that they cause are neutralized. **URINAL / COMMUNE MATS** protect the floor from stains, discoloration and uric acid damage. They also prevent cross-contamination by eliminating the tracking of urine from the restroom to other parts of the building. **URINAL / COMMUNE MATS** are impregnated with a powerful deodorant to combat urine odors. **URINAL / COMMUNE MATS** provide a safer, drier floor surface and a special bottom surface that prevents slippage and movement.
